"MY BROKEN FINGER COST ME MORE THAN MY BACHELORETTE PARTY."

THANKFULLY, NOW I'M INSURED.

If you get sick or hurt, not having health insurance can be costly. So use MNsure to find a plan you can afford. It's free, and lets you compare health plans to find the best one for you, often at a surprisingly affordable price. Most people qualify for financial help, and free phone or in-person assistance is available.
